

## BRIGHTSIDE COLLECTION

Featuring a lower-level with full windows, The Brightside Collection welcomes in an abundance of natural light. Specifically designed for the North East section of the Canvas Hill community, the grade-level rear yards allow access to the backyard from the main floor, maximizing the benefits of a fully-functional basement space.

## WALK-UP COLLECTION

Highlighting the elevated placement along Canvas Hill, The Walk-Up Collection offers additional outdoor spaces to fully embrace the scenic viewpoints and vistas of this curated neighbourhood and surroundings. Homeowners can enjoy additional balconies and decks, alongside fully functional ground and main floor living spaces for a perfectly thoughtful floorplan.

## WALK-OUT COLLECTION

Designed to take advantage of the gradual incline in the rear yard, The Walk-Out Collection allows for a lower-level exit to seamlessly integrate indoor/outdoor living. The elevated main floor offers views of the natural surrounding topography, making this collection particularly desirable for homeowners seeking extra privacy – without compromising the inclusion of natural light.
