## IN THE HEART OF **HERITAGE-RICH GLEN WILLIAMS, GEORGETOWN.**

Situated in a private enclave, Canvas Hill offers space, privacy, and luxury to match your grandest vision. Surrounded by wide open greenscapes and endless blue skies, the sweeping landscapes and tranquil setting provide a refreshing escape: reconnecting you with nature in its purest form.

**At Canvas Hill, we invite you to Dream Big, and Live Bigger.** More than just a home, Canvas Hill is a place to grow, thrive, and live a life without limits. With expansive 80' - 100' lots, this private enclave offers space, privacy, and luxury to match your grandest vision.

## 32 ONE-OF-A-KIND ESTATE HOMES

Discover 16 unique designs across 3 curated collections, each reflecting the homeowner's personal style. In this exclusive community, every one of the 32 estate homes is a masterpiece, inspired by local artistry and the serene natural landscape.

**At Canvas Hill, we invite you to Dream Big, and Live Bigger.** More than just a home, Canvas Hill is a place to grow, thrive, and live a life without limits. With expansive 80' - 100' lots, this private enclave offers space, privacy, and luxury to match your grandest vision.

## BRIGHTSIDE COLLECTION

Featuring a lower-level with full windows, The Brightside Collection welcomes in an abundance of natural light. Specifically designed for the North East section of the Canvas Hill community, the grade-level rear yards allow access to the backyard from the main floor, maximizing the benefits of a fully-functional basement space.

## WALK-UP COLLECTION

Highlighting the elevated placement along Canvas Hill, The Walk-Up Collection offers additional outdoor spaces to fully embrace the scenic viewpoints and vistas of this curated neighbourhood and surroundings. Homeowners can enjoy additional balconies and decks, alongside fully functional ground and main floor living spaces for a perfectly thoughtful floorplan.

## WALK-OUT COLLECTION

Designed to take advantage of the gradual incline in the rear yard, The Walk-Out Collection allows for a lower-level exit to seamlessly integrate indoor/outdoor living. The elevated main floor offers views of the natural surrounding topography, making this collection particularly desirable for homeowners seeking extra privacy – without compromising the inclusion of natural light.
