

EXCLUSIVE Fresh Thinking Features Included!

Built-in designer features to improve the way you live life at NO EXTRA COST.

TABLET MOUNT

Keep your tablet in reach yet high and dry with a suspended mount in the kitchen.

THE PULL-OUT BIN

Busy cooks know a sturdy pull-out garbage bin that tucks neatly out of sight is indispensable during meal prep.

CUTLERY DRAWER

Versatile, sliding cutlery roller drawer keeps all your cutlery and silverware neatly organized and easy to access.

DEEP DRAWERS

A drawer that keeps dishes secure with customizable pegs, and another deep drawer for pots and pans.

EXTENDED HEIGHT UPPERS

Extended height 39" uppers and deep uppers above the fridge expand your available space for kitchen storage

STYLISH FIXTURES

An industrial style pull-down faucet in the kitchen is a chef-worthy touch.

HOTEL-STYLE VANITY

An integrated shelf below the bathroom mirror is a modern approach to storage and display. Sleek white cultured marble counters with integral cube sink caps off a floating style vanity with plenty of storage drawers

WELL COORDINATED

Matching fixtures create a pulled-together effect in the bathroom and act as jewelry in a room.

MODERN TUBS AND WALL TILES

Square edge tubs with sloping lumbar support and upgraded contemporary wall tiles impart a luxe spa vibe.

BRILLIANT LIGHTING

Good lighting is top priority in a bathroom. Branthaven provides a higher standard designer light fixture above the integrated mirror to finish off the hotel-style vanity.

IN-SUITE TECH

Keep your electronics ready for action with extra USB ports in the kitchen, master and ensuite.

SHARP SHOWER CADDY

There's less clutter when shower necessities are corralled in a hotel-style corner caddy.
